ENergies for Local Administration  
to Renovate Governance in Europe

Newsletter issue #2 - February 2017

## CALL FOR PRACTICES: PARTICIPATORY PROCESSES IN THE SUSTAINABLE ENERGY FIELD

The project [ENLARGE](#), a two-year initiative funded by the Horizon 2020 programme, has entered its key phase and it is now launching a call for participatory practices in the sustainable energy field. All stakeholders (local authorities, civil society organisations, business sector, etc.) are invited to share practices deemed relevant, both as successful and not, by 15th March.

## PARTICIPATE IN THE DELIBERATIVE EVENT IN MILAN

Representatives of the 30 selected practices will be invited to participate in the deliberative event in Milan to take place in October 2017. The event will be a unique occasion to exchange knowledge, experience and practices on participatory processes in the sustainable energy field with as many as 100 representatives of local authorities, civil society organisations, the business sector and experts from all across Europe.
