ENergies for Local Administration  
to Renovate Governance in Europe

Newsletter issue #3 - May 2017

## SAVE THE DATE! DELIBERATIVE EVENT IN MILAN (ITALY) ON 16-17 OCTOBER

Representatives of the 30 selected practices will reunite on 16-17 October 2017 in Milan, Italy, to exchange knowledge, experience and practices on participatory processes in the sustainable energy field. The event will be a unique exchange opportunity, since 100 representatives of local authorities, civil society organisations, business sector and experts from all across Europe will directly participate in and contribute to the activity.

## CALL FOR PRACTICES ON PARTICIPATORY PROCESSES IN THE SUSTAINABLE ENERGY FIELD PERMANENTLY OPEN

More than 30 stakeholders (local authorities, civil society organisations, representatives of the business sector, etc.) have submitted their practices on participatory processes in co-designing and co-producing policies and projects in the sustainable energy field. The success of the initiative led the consortium to leave the call open permanently. All stakeholders are invited to submit their practices throughout the lifetime of the project.

## ENLARGE AT THE EUROPEAN SUSTAINABLE ENERGY WEEK

The consortium **ENLARGE** will hold on 20 June 2017 a dissemination event in Venice, Italy, in the framework of the European Sustainable Energy Week. The event will bring together representatives of local authorities and civil society organisations to exchange on the added value of participatory processes in sustainable energy policies for the development of local communities. The activity kicks-off a set of 10 dissemination events to be organised until October 2018.
