

Energies for Local Administration
to Renovate Governance in Europe

A GREAT EVENT TO CELEBRATE THE END OF THE ENLARGE PROJECT ...BUT THE ADVENTURE CONTINUES!

ENLARGE PROJECT – THE FINAL EVENT IS NOT THE END! THE GAMEBOOK WILL BE A LIVING TOOL FOSTERING COLLABORATIVE GOVERNANCE IN EUROPE

The closing event of the project ENLARGE, funded by the programme Horizon 2020 of the European Union, was held in Brussels on 26 September, during the eGov week coordinated by the European Commission. Participants agreed on the usefulness of the gamebook produced, which will be integrated for two years, with suggestions for improvement from users.

CRAFT YOUR OWN COLLABORATIVE PROCESS WITH ENLARGE GAMEBOOK

The ENLARGE gamebook on participatory processes in the sustainable energy field is now available to everybody, and its presentations all over Europe are collecting amazing responses and suggestions for improvement.

The “Choose your collaborative adventure in sustainable energy” gamebook is the main output of the ENLARGE project, and it is intended to be a living tool for all communities wishing to boost participatory governance and to achieve better results in collaborative processes in the field of sustainable energy.
